The “top-of-the-line” surf ‘n’ turf “rocks” at this smartly served Astoria steakhouse that’s “worth a trip over the bridge”; a “large selection of prime-aged meats” comes “prepared to perfection” backed up with “traditional Greek sides”, while “valet parking” is an extra perk.

"Greek butcher shop" by day, "comfortable" steakhouse by night, this "Astoria treasure" was renovated post-Survey and has a new seafood emphasis, but it still offers the same "slabs of happiness" and "wonderful sides" that are its signature; "very efficient" service and an "excellent wine list" round out the experience.
